HISTORY

The creation of the Guam Civil Service Commission (CSC) was first contemplated in the Organic Act of Guam under §1422c, which states,

“The legislature shall establish a merit system and, as far as practicable, appointments and promotions shall be made in accordance with such merit system. The Government of Guam may by law establish a Civil Service Commission to administer the merit system. Members of the Commission may be removed as provided by the laws of Guam.” [cited in part]

However, it was not until August 7, 1967, with the passage of Public Law (PL) 9-86 that the CSC was actually created. The creation was prompted by a letter from then Governor Manuel F.L. Guerrero, which was submitted to the Ninth Guam Legislature to establish a CSC, separate from any operating department of the government in order to afford balance between the needs of the institution and rights of the employee.
